Hi Jennifer!

Thanks for your patience. Can we reword this sentence to read:

“As Secretary of the Interior and a native of the Western Slope of Colorado, it’s always great to be in the Rocky Mountain region where much of America’s public lands are located. I look forward to addressing the Steamboat Institute’s 11th Annual Freedom Conference & Festival in beautiful Steamboat Springs,” said Secretary Bernhardt.

No other changes. I’m out of the office this week but have cc’d my colleague, Skyler, if there’s anything else you need.

Thank you!

Hi, Leila.

Here is a draft email for your review. Given that our conference is just three weeks away, would it be possible to get approval by Friday morning? We kept it very simple, with just a brief quote by Secretary Bernhardt (subject to his approval, of course).
