Nathan,

It was great seeing you yesterday. Thank you for making me feel so welcome! I was blessed by the opportunity to speak at the LPPC meeting and share the new direction of the EPA. It is my hope that we at the EPA can re-establish the trust and confidence of those in your industry as we endeavor to strengthen our economy while protecting our natural resources.

Until the next time!

All the best,

Dan,

It was great seeing you yesterday! Isn't it wonderful how our paths continue to cross?

I truly appreciated the opportunity to speak at the LPPC meeting and share the new direction of the EPA. It is my hope that we can re-establish the trust and confidence of those in your industry -- as we endeavor to strengthen our economy while protecting our natural resources. I believe we are on the right path forward.

Thanks for the fellowship!

All the best,

*Great to see  
you. And thanks  
for the opportunity  
to visit.*
