GEARY BLVD. at 15th AVE.

also available in both the tall and dwarf type. The tall will grow to about two feet and the dwarf to one foot. In the latter form there is a new kind known as Torea-dor. It is the 1955 Bronze medal winner and a real beauty.

All these make excellent flower arrangements and last a long time.

As to culture, they are extremely easy to grow. Set out the young seedlings when they are about two or three inches high in full sun and in a soil that does not hold too much water. Their dislike for wet feet makes them a difficult annual for California's cool coast, while

Spring Blooms

THE ANNUAL Spring Flower Show of the California Spring Blossom and Wild Flower Association will be held next Tuesday and Wednesday in the exhibit room of the Main Library in Civic Center. This is an educational exhibit with hundreds of blooms on display.

The wild flower section will have native flora from the seven Bay area counties. There will be displays from Tilden Park in Oakland from Strybing Arboretum in Golden Gate Park. There will also be a display of culinary, fragrant and medicinal herbs and a wide variety of flowers, succulents and dwarf trees. The exhibits will open from 1 to 9:30 p.m. on Tuesday and from 10:30 a.m. to 9:30 p.m. on Wednesday. Admission is free.
