Subject: GM Meeting on Fuel Economy

Good afternoon,

I'm GM's lead Republican managing our Federal team – I'm sorry that I don't think we've met in person yet. As you know, GM General Counsel and my boss GMNA VP for Public Policy met with the Administrator in April. I think that Mandy and Brittnay (I am not sure if her email is correct above) were also in the meeting.

We were hoping to schedule a meeting with the three of you and some of our technical folks from Detroit next week or the following regarding the fuel economy mid-term review and harmonization of EPA/NHTSA fuel economy standards.

Please advise if this is possible or if you would like me to work with someone on your team regarding your schedule. Thank you so much.

Best,
Tori
