Memorandum to

Mr. C. Wasserman:

For your information I am
hereto copy of the last letter received on
the Texas Company, regarding their preparing
instructions for shipment of Ethyl Fluid on
their own vessels.

You will note that since they do not
expect to make any shipments in the immediate
future, Mr. Oldis has promised to have instruc-
tions ready before any further shipments are
made.

Accordingly, if and when you get the
next order, this matter should be followed up to
see that we do get copies of the instructions
which Mr. Oldis will issue to his ship's personnel.
