Hi Chris,

Emily Sharp is a good friend now working for the Minority on Senate appropriations on the financial services subcommittee. She has an opportunity to move to the UK (b) (6) but also has an opportunity for advancement on this side of the pond. Can you please give her some advice, based on your experience as an American living and working in the UK and then coming back to the US?

Emily, Chris is a good friend. We worked together as political appointees at DOI under Bush 43. She earlier worked for Senator Stevens and after leaving DOI then worked in Scotland for a number of years before coming back to the US.

Thanks,

Scott
