Thank you for all the work that went into the farm bureau event at the Couser ranch. I very much enjoyed the opportunity to speak to the group and hear directly from Iowans about how EPA has an effect on their everyday lives. I look forward to visiting again soon.

Have a Merry Christmas and happy holiday season,

I wanted to thank you both for the tremendous hospitality while in Iowa. I enjoyed the opportunity to meet with Iowa stakeholders over lunch at your ranch as well as speaking to the group at the town hall meeting. It was clear you both care deeply about environmental stewardship – as you care for the land you live and work on every day. I'm hopeful our paths will cross again soon.

Very much appreciate you!
