GENERAL OBJECTIONS TO INTERROGATORIES
AND REQUEST TO PRODUCE

Anchor Packing Co. sets forth the following General Objections to Plaintiff's Interrogatories and Request to Produce and incorporates each of these objections by reference to every response provided hereinafter:

1. The Interrogatories and Request to Produce are overly broad, unreasonably burdensome, harassing, cumbersome, vague, ambiguous and not intended nor reasonably calculated to lead to the discovery of admissible or relevant evidence.

2. The Interrogatories and Request to Produce are difficult to understand or unintelligible due to the use of particular phrases or terms which have more than one meaning within and without the industry.

3. The Interrogatories and Request to Produce are of excessive depth in time, not being limited to the matters in dispute as said forth in the Complaint. The Interrogatories and Request to Produce go back many years in time and Anchor Packing Co. has found it difficult, and in some cases impossible, to reconstruct or retrieve the information requested.

4. The burden is upon plaintiffs to establish his exposure to products manufactured by Anchor Packing Co. in order to recover based on his allegations against Anchor Packing Co.. To the extent that plaintiffs have not identified any product of Anchor Packing Co. to

which they have been exposed, the Interrogatories and Request to Produce herein are irrelevant and immaterial to any issue in this litigation and are not calculated to lead to the discovery of admissible evidence. Further, to require Anchor Packing Co. under such circumstances, to respond to questions requiring disclosure of masses of irrelevant information is beyond the scope of permissible discovery.

5. Notwithstanding these objections, Anchor Packing Co. responds to the Interrogatories and Request to Produce based upon facts known or believed by Anchor Packing Co. at the time of it's answer pursuant to Court Order. These answers provided herein do not in any way waive the objections stated hereinabove.
