

from the desk of

J. F. SMITH Secretary and General Manager

10-15-74

Dear John,

Needless to say, all of us here are very grateful for the fine job and strong support you have given the LIA over the years. As I mentioned over the phone, we still look forward to being able to connect with you whenever necessary and to meet with you on occasion.

J. F.

Lead Industries Association, Inc. / Zinc Institute, Inc.

Mr. J. W. DeDapper
Group Vice President, Metals
NL Industries, Inc.
111 Broadway
New York, New York 10006

Dear Jay:

As you know, John Mardick has been the Official Representative from NL to the Lead Industries Association for a number of years. In that capacity John received all one-of-a-kind mailings from the Association, including assessment notices, proxy forms, etc. Because of the change in responsibilities which has recently occurred at NL, John has informed us that, effective immediately, you are to be our Official Representative from NL.

In addition, John has been a member of the Board of Directors and has asked that you be his replacement on the Board. Assuming that this is in line with your wishes, I would like to welcome you as a member of the LIA Board of Directors and to ask you if you would be interested in becoming a member of the Executive Committee as well. If so, I will pass this along to our President and Board Chairman, Mr. Paul C. Henshaw, President, Homestake Lead Company of Missouri, as the appointment rests in his hands.

On the chance that you may not have a current copy, I am enclosing the latest printing of our Bylaws, and some additional literature from the Association.

Phil Robinson and I and the entire staff at LIA look forward to working with you in the coming year.

Sincerely,

Jerome F. Smith
Secretary & General Manager
