Bryan,

Thanks so much for the follow up! Let me check with his scheduler and see how things are looking.

Hi Samantha, if you recall we invited Administrator Pruitt to Munich as he had mentioned his desire to tour a European R&D facility. Our global headquarters is in Munich and we mentioned that we would be thrilled to host him at our facility. I suggested end of September or early October as possible dates. If that is something he is still interested in we should start planning ASAP. Thank you for any insight you may have on this. Take care.
