Dear Dr. Esvelt:

Your letter dated November 12 to Mr. Michael R. Foresman
was forwarded to me for response.

I am enclosing copies of Monsanto's Analytical Methodology
which I believe you will find appropriate to your needs.
I am also forwarding a Sample Request Form. If you will
have this form completed and return to me, then I will
arrange for the requested samples to be forwarded to you.

In the event you have questions of a technical nature
relating to PCB analysis, I suggest you contact Monsanto's
Dr. E. Scott Tucker (314-694-4628).

I hope this information is useful to you. If I can be
of further service please let me know.

Sincerely,

W. B. Papageorge
