

1 read actually.

2 I would like to go ahead and read the
3 response to the same interrogatory, number 9,
4 plaintiff's supplemental answers to defendant's
5 interrogatories filed by Mrs. Grewe and her
6 attorneys.

7 The following interrogatory says, state the
8 name and address for each employer and the information
9 we talked about before.

10 The response is as follows: The first work
11 site is, name of company, unknown.

12 The beginning and ending dates of
13 employments were approximately one year in the mid
14 1950s.

15 The nature of the business of the employer
16 was sales and installation of furnaces.

17 The position held was furnace installer.

18 And the answer to the question about
19 occupational exposures to chemicals or dust is,
20 plaintiff was exposed to asbestos cloth, although he
21 never had occasion to cut it.
