Hi Emily,

I would be happy to help get this set up! We are pretty full next week but could maybe look at the week of the 22<sup>nd</sup>?

Thank you!

**Subject:** Meeting with Administrator Pruitt

I would like to arrange a meeting with Administrator Pruitt to introduce him to NSSGA. NSSGA represents the aggregates industry, which provides the raw material in asphalt, concrete and cement used in nearly every construction or infrastructure project and employs over 100,000 in the U.S. We are very encouraged about the direction of EPA under Administrator Pruitt and would like to discuss our industry's unique issues, including air and water issues such as WOTUS and Conductivity. Please let me know if I can provide any additional information. We would like an in person meeting with our President and CEO, Michael Johnson, Senior Vice President, Government and Regulatory Affairs Laura O'Neill-Kaumo, myself and Administrator Pruitt. We realize this is a very busy time for the Administrator, but would greatly appreciate a

short meeting to discuss our industry's issues.
