Jim Gatewood, the new SHAC Chairman, spoke to the group about the safety challenges for 1985 and introduced a video tape on the November, 1984 EPP ammonia tank drill.

The committee elected Madeline Hare as the new chairperson.

Old Business

On the HCN emergency lights, Kozlek and Riddle have developed a proposal which will be presented to SHAC at their next meeting.

New Business

Fire and Entry Permits

There has been some confusion as to the policy that requires each craft to have a entry permit. The practice of salaried personnel entering on craft permits was also discussed. Bob Hammann will review the matter.

Jake Linkey expressed a concern about a lack of consistency in the procedure bulletin regarding the shutdown of equipment during fire and spill alarms. Bob Hammann will review the matter,

Ben Peek expressed a concern about old obsolete instrumentation which is hard to maintain and often give erratic readings in the East Plant.

The next HSC meeting will be held on Tuesday, February 26, 1985. It will begin at 1:30 p.m. in Conference Room 1 of the Personnel Building.
