LEAD HYGIENE and
SAFETY BULLETIN
NO. 139

To Members of the Lead Industries Association:

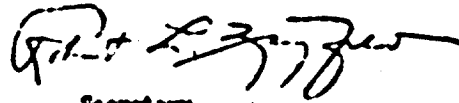

PROCEEDINGS: THIRTEENTH INTERNATIONAL
CONGRESS ON OCCUPATIONAL HEALTH
July 25-29, 1960

With further reference to our Lead Hygiene and Safety Bulletin No. 136 dated May 20, 1960, regarding the Thirteenth International Congress on Occupational Health held in New York in July of last year, the complete Proceedings are now available. These constitute a volume of 1005 illustrated pages edited by the U. S. Executive Committee of the Congress and priced at \$7.50.

Copies may be obtained from R. E. Eckardt, M.D., Office of the Secretary-General, P.O. Box 45, Linden, New Jersey.

These Proceedings were reviewed in the June 1961 issue of "Industrial Medicine and Surgery."

Very truly yours,

Secretary
