TO: COMMISSIONER JANUSZ WOJCIECHOWSKI

Dear Commissioner Wojciechowski,

Please find enclosed an invitation letter to you as a high-level politician to participate in our study on the levels of hazardous chemicals, specifically the so-called 'forever chemicals', PFAS, in blood samples. Similar invitations have been sent to some relevant national Ministers, members of the European Parliament and Commissioners. Vice-Presidents Timmermans and Vestager and Commissioner Sinkevičius have accepted the offer; your participation would be greatly appreciated and would send a powerful message about the European Commission's commitment towards EU citizens protection.

Thank you for your consideration, and we hope that you will join us in this important effort to improve public awareness and health.

Sincerely,
