More than 6000 men, women and children used the facilities of the Palo Alto Park pool this summer, it was reported today by pool chairmen Mrs. Robert Anway and Mrs. Walter C. Werby.

The pool was opened for the 1953 season for the last time Monday. Residents of Palo Alto Park and their friends jammed the pool for the last swim and picnic before school.

Assisting Mrs. Anway and Mrs. Werby in handling pool operations were Mrs. Gerald Caouette, Mrs. Clifton Winters and Deveral Andrus, the president of the Palo Alto Park Improvement Club.

More than 60 families took turns in operating the gate and refreshment stand during the

12-week session. During the summer the pool was open Thursday through Sunday and was run by members of the Improvement Club and other volunteers.

A report of the money taken in during the summer will be given at the regular monthly meeting of the association Sept. 17. Proceeds will be used to remodel the pool next year, according to Mrs. Anway.
