Sir Ronald Wyhelm

Mr. Sutcliffe and Dr. Blakey have both been in touch with me today regarding correspondence with the above. They both feel that the ideal solution will be for Mr. Wells, who knows Sir Ronald, to visit him for a discussion. In the meantime, I am enclosing both to you and to Mr. Wells, a copy attached of the Leeds rebuttal paper which should now be read in conjunction with some amplifying documents which Dr. Blakey will be sending to you.

Perhaps you could liaise with Mr. Wells regarding contact with Mr. Emerson to follow Mr. Wells meeting with Sir Ronald.
