My name is Cheryl Woodward and I will assist you in the logistics for your meeting at EPA on Friday, April 28 at 2:30 pm. The instructions/directions to EPA is below and if you have any questions please contact me. Confirm the attendee's for the meeting to prepare your passes with security. Look forward to seeing you all.

#### Directions

**Directions:** If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12<sup>th</sup> street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

EPA address is 1200 Pennsylvania Avenue, NW. If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, which is between 12<sup>th</sup> and Constitution Avenues. It is almost exactly half way between the two avenues on 12<sup>th</sup> street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the **South Lobby of the William Jefferson Clinton building.**

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Great! It will be at the EPA building and will be about 30 minutes. Cheryl will be in touch with further directions on arrival next week.

I will leave the topics to Ryan.

Thank you!

Done. Let me know location, length of meeting.

It would also help to have some guidance on what climate-related topics would be useful to cover. A "red team" exercise would be high on my list.

Any time 1430 or later on the 28th would work for me.

The 27th has more availability for me if that could work for the Administrator.

Thank you gentlemen. So as luck would have it the Administrator will happen to be in New York tomorrow. Would there be a convenient time to meet as early as tomorrow? I know this is last minute, but I wanted to ask. If that doesn't work, we will schedule another time definitely.

My cell is 202-379-8986.

Ryan.

Dear Ryan,

Very glad to meet you with Administrator Pruitt today. With this email, introducing you to Steve Koonin, now at NYU, formerly Undersecretary of Energy in DOE and Provost of Caltech. He's an MIT Ph.D. in astrophysics. I've attached his article on

climate science not being settled from the Wall Street Journal.

He's based in New York City but will be down for a meeting of the top physicists on April 28, and could come a day early. Or they could meet in New York City. I think the Administrator would find an 1 ½ to 2 hours very useful for deepening the texture on the climate change discussion. As I mentioned, Steve will have a new article coming up in the WSJ later this month.

Kind regards,

Dan
