Hey Tate-

Would you mind looping in Brenna, the Governor's Press Secretary, with EPA's Comms teams so that they can coordinate on what should and/or should not go on the Governor's public schedule for Friday?

Thanks!
Stephanie

Hi all -

Just wondering what the plan is for Friday? Jake wants to advise the changes we've made to the governor's public schedule, and I want to make sure we're clear on what's open to the press and what isn't.

Thanks,
Brenna

Thoughts on this? What additional questions do you have?

The roundtable topic is just on an array issues in general. Not RFS focused, specifically. He wants to hear from real farmers this time.

Large event- EPA update in general. Direction the agency is headed, etc.

My guy tracking the attendee list is out in Charleston, WV until Weds but I will get it to you once we get it back from him tomorrow.

Both events are closed to press. Also, I think our comms team is asking yours to hold off on doing a media advisory at the coops event that morning. You might want to confirm with them?

We'd very much like for Governor Reynolds to introduce him at the large event.

Hey Tate!

I hope you had a great Thanksgiving and got to enjoy some time with family in MA!

I wanted to loop back on the event for Friday. Do you have any additional details?

A few questions:

What is the topic for the roundtable?

What is the Secretary planning to speak on during the larger event?

Do you have an attendee list for the larger event?

Would the Secretary still like the Governor to introduce him at the larger event?

Thank you!

Stephanie
