Subject: Change of Meeting Date with Dr. George Hurst

Dear Charlie:

Dr. George Hurst called today regarding a change in the meeting date of January 5 and 6, 1972, which we had previously established due to a personal conflict that has developed on January 5. We have agreed to postpone the meeting just one day. I will meet with him on January 6, 1972, in his office beginning at 9 a.m. and, if necessary, this will be a two day meeting.

In a meeting that I had with NIOSH this past Monday, they said that one of their physicians would also be attending this meeting with Dr. Hurst, so I am sending Dr. William Johnson a copy of this to alert him of the change.

Please change my reservations at the Ramada accordingly. If you and I could plan to get together for dinner when I get in the evening of January 5, I would appreciate it.

Merry Christmas!

Sincerely,

Lee B. Grant, M.D.
Medical Director
