DIVISION OF BIOLOGIC LABORATORIES

BENJAMIN WHITE, PH.D.,
DIRECTOR

ELLIOTT S. ROBINSON, M.D., PH.D.,
ASSISTANT DIRECTOR

ANTITOXIN AND VACCINE LABORATORY

December 16, 1924

Dr. Cecil K. Drinker,
School of Public Health,
55 Van Dyke Street,
Boston, Mass.

My dear Doctor Drinker:

A large manufacturer has recently requested me for information concerning lead poisoning and measures for its prevention. Would you tell me of any books to which I could refer him, or any pamphlets which I can send him.

With cordial regards,

Sincerely yours,

Benjamin White
Director
