Hi Sam,

First, congrats on the new position!

Per our brief conversation this morning, our client is a member of one of the organizations represented in the attached letter. They are concerned about some of the unintended consequences implementation of the Rule mentioned in the letter and promulgated by the previous Administration will have on their industry. Erik Winchester and Wendy Cleland-Hamnett have received copies of this letter but I wanted to flag for you as well. If you have any questions or need additional information we'd be happy to provide.

Thanks again! Let's catch up soon.
