We are reporting he's the top contender for the No. 2 slot. Let me know asap if that's wrong and/or if you have a comment of any kind.

Thank you,

I thought that was a silly rumor, but one of our member company people insisted she had heard it directly from an EPA staffer. So, I needed to run it to ground. Clearly a misunderstanding.

I think this is one Mandy could speak at?

We had to decline the Administrator speaking. Let me know Mandy your thoughts.
