Troy-

Sorry. Just saw this email.

The Governor is planning to touch on the ethanol issues that he has brought up to the Administrator in the past -- largely the RVP issue and the E30 pilot waiver we requested. I have talked to some of the leaders coming to the Roundtable about the focus on WOTUS. I would expect some of them to bring up the RINs and cellulosic/biodiesel concerns. They will be excited to hear about the letter your office sent to the Midwestern Senators.
