Gentlemen:-

PIONEER WHITE LEAD:

We are enclosing herewith order just received from Antony Gibbs & Co. for 5 tons Pioneer White Lead in Oil at prices quoted in your telegram of May 8th.

You will note they mention c.i.f. Fremantle delivery, although their inquiry and our quotation to them called for c.i.f. Adelaide.

We have advised Gibbs & Co. that we were forwarding order to you, but could not give them any assurance that same would be accepted, owing to the length of time that has elapsed since quotation was made.

Very truly yours,

W. P. FULLER & CO.
