Kay Francis—She heads the all star cast of "Wonder Bar," musical drama of the silver screen which starts a three day showing tomorrow at the Monterey theater.

roles of the American composer-orchestra leader and the husband of Kay Francis, respectively. Hal LeRoy, the sensational Broadway player, plays the role of himself in a thrilling dance sequence.

Guy Kibbee and Hugh Herbert play the two American tourists with Ruth Donnelly and Louise Fazenda as their wives, in important comedy and character roles. Robert Barrat has the part of the army officer, who drives his auto over a cliff and unconsciously covers up a murder. Fifi D'Orsay and Merna Kennedy will be seen as the two flirtatious hostesses in the fashionable Parisian night club.

As "Wonderbar," this unique musical proved an international sensation a few years ago. It played for months in all European capitals and was brought to this country as a stage-starring vehicle for Al Jolson. He took it on the road after a season in New York and no production since "The Miracle" has been so generally and so generously welcomed.

It is said that the screen version of "Wonder Bar" returns to some extent to the European script which was considerably altered for the American stage production. This increases the importance of the roles played by the long list of stars assigned to the picture.

Busby Berkeley, creator of the musical numbers that featured "Gold Diggers of 1933," "42nd Street" and "Footlight Parade," created and staged the special musical spectacles on a scale never before attempted even in these previous successes. Berkeley's ability for sensational departures from the ordinary in camera work has made screen history in the past year.

LACK OF WATER IS

CAUSE OF SUICIDE

MODESTO, April 24 (UP).—Dependency over lack of water to farm his 320 acre ranch near Newman was blamed today for the suicide of Chris P. Jorgensen, 62.

Notes addressed to the brother and coroner said: "I have been unable to farm for the past two years because of the lack of rain. The drouth is the cause of everything."

Thank goodness, the war scares will be over when all the nations get their appropriations for more ships.

LADYSMITH, South Africa, April 24 (UP).—A short kilt and a string of beads are all right for a Zulu girl to wear, but trousers such as are affected by movie stars are "degrading," the government has decided.
