Preston and Tate,

FYI on the below request for the head of our Water office to meet with EPA officials regarding antidegradation.

Preston- Tate was incredibly helpful on this issue over the past 8 months. I am happy to jump on the phone with you tomorrow to bring you up to speed, should that be helpful.

Thanks!  
Stephanie

I will be attending the ASDWA meeting in D.C. next week. If a meeting could be arranged for Tuesday, Wednesday or Thursday (17th-19th), I would be happy to

come to EPA headquarters and speak with someone from the General Counsel's Office in regard to our Antidegradation rules. Let me know if that works.

Thanks.
