RE: Sherwin Williams
D/Injury: 5-12-93
File No.: 10733-1516-WC

Dear Al:

I am enclosing a bunch of bills submitted to me by applicant's attorney, Frank Dornay. These appear to have been submitted to his group health carrier and now they are being sent over to me. The claim for health care benefits indicates liver malfunction, but states that it is a non work related problem.

I assume we are not going to pick up these charges, so please do what you have to do to deny them on behalf of Sherwin Williams.

The enclosed x-ray report indicates negative findings. Where does this guy get off saying he has a liver malfunction?

His depo should be interesting.....

Sincerely,

ps: I still don't have a claim for either the 5-12-93 injury or the alleged CT. Please see if you can get Mr. Dornay to get his client to fill them out and send them to Sherwin Williams in Fresno for completion. I'm sending two DWC-1's for you to send to Mr. Dornay.
