Re: Nevada Power v. Monsanto Company, et al.

Gentlemen:

Please send a copy of all future pleadings, discovery requests, and correspondence in this litigation to Kirkland & Ellis as well as the Alverson Firm. The additional mailing will expedite Monsanto's response to pleadings and discovery requests while minimizing the possibility that Nevada Power's requests would go unanswered. In addition, either Bruce Featherstone or I will accept service on behalf of Monsanto if necessary. As you may be aware, Alverson, Taylor & Mortenson represents Monsanto as local counsel while Kirkland & Ellis represents Monsanto as principal outside counsel in this litigation.

I appreciate your cooperation in this matter. If you have any questions or would like to discuss this request further, please call me.

Sincerely,

John H. Tatlock /ams
