Dear Sir or Madam,

We at Viscera Fat Rendering Inc. are pleased to learn of the availability of presidential exemptions to Clean Air Act rules under Section 112(i)(4) of the Clean Air Act.

Pursuant to said Section, we hereby request the following exemptions:

1. >/ 150,000 microns Pch4 per bbl/steam discharge at Everglades-adjacent plant.
2. > 3,000 mg heavy ZRB per tonne per stack at all rendering locations in States of Texas, Alabama and Tennessee.
3. > 5,150 ppsi in COH2 for all locations.

Details supporting this request, including personnel available for consultation, are included in the attached report.

Thanking you in advance,

Evan Distille, Chief Scientist
