Dear Ms Howe

WORLD REGISTER OF CASES OF ANGIOSARCOMA
OF THE LIVER (ASL) DUE TO VCM

Thank you for your letter of 1 March. I have placed your name on the mailing list for the ASL Register, instead of Dr Has Shah, as requested.

I am sending a copy of the new 1990 Register to the people you name, except for Dr Gregory Bond to whom I have written saying that I already send two copies to his Company in Midland.

Please would you let me have the complete address for Dr Sally R Cowles of Shell, so that I can write to her.

I have mentioned to your Panel members that I try to limit the number of copies of the Register in circulation, where practicable, because we are questioned about confidentiality from time to time, especially by Germany and Canada.

I shall be very grateful for your help in maintaining the Register, and for information about any new cases you hear of, with details of a contact so that I can pursue the matter.

With kind regards

Yours sincerely

B BENNETT
