Gentlemen:-

XX ZINC:

We acknowledge receipt of your night message of the 1st inst. requesting us to wire Zinc and Sulphur content of New Jersey Zinc Co.'s XX Zinc, also price.

The New Jersey Zinc Co. advise that the very best price they can quote on this brand is 7¾¢ per lb. f.o.b. Palmerton, Pa., subject to the usual freight allowance.

Their representative advises that there are no indications at the present time of any change in price for the balance of this year.

Regarding the Zinc and Sulphur content, they state that the Zinc content of this brand is over 98% and the Sulphur content under .2.

We confirm our night letter of even date giving you the above information, which we trust is what you require.

STRONG RED OXIDE:

We acknowledge receipt of your order #1028 calling for 3 tons Strong Red Oxide to match Katzenbach & Bullock's #89 P.L. As our standard sample of this material has been exhausted, we are wiring you today asking you to kindly send us a good size sample, so that we may take up the matter with various manufacturers and obtain a match.

Very truly yours,
