SUBJECT: ASBESTOS - JM 7H19

Following a telephone conversation of February 5 between Messrs. Nelson and Wild we have agreed to take immediate shipment to Erie on 175 tons of 7H19 which JM has held in storage for us since last fall. The material will be invoiced at an additional 5% discount.

We must have your requisition for third quarter requirement for 7H19 by March 15, as this is a special product made only for GAF.
