Subject: following up on voicemail

Hi Nancy-

I left you a voicemail yesterday, and just wanted to follow up. My CEO recently met with Administrator Pruitt and Samantha Dravis, and the Administrator mentioned having a future series of meetings. I talked to Robin Kime in OP to try to get more background on the concept,

and she thought it would be best to talk to you first.

Would you have time for a call sometime soon to discuss?

Thanks, Venu
