Dear Bob:

I have received copies of Dr. Pottenger's letter of May 10, addressed to Dr. Rankin, as well as Dr. Rankin's letter to Dr. Pottenger of June 5, and his letter to you of the same date.

In order that our files can be complete, I would appreciate a copy of your reply, provided that it is not in any way interfering with medical ethics.

With kindest regards,

Sincerely,

  
James E. Boudreau
