Subject: Gulfport Energy CEO meeting request 5/22

Andrew, I hope all is well! I wanted to reach out and request a meeting with you and Mike Moore, the CEO of Gulfport Energy (www.gulfportenergy.com). Based in Oklahoma City, Gulfport is an independent natural gas and oil company focused on North America and is one of the largest producers of natural gas in Ohio and in the contiguous United States. Gulfport holds significant acreage positions in the Utica Shale of Eastern Ohio and the SCOOP Woodford and SCOOP Springer plays in Oklahoma.

Mike will be in town on next Tuesday, May 22nd – any chance you are available for a brief visit to discuss their operations in Ohio, Oklahoma and elsewhere around the country? Thanks in advance and I look forward to catching up!

-Ryan
