College of Medicine
Eden Avenue
Cincinnati 19, Ohio

Dear Sir:

The Health Hazard Committee of Local #60 is most interested in obtaining a copy of the "Study of Workers Continuously Exposed to Fiberglass for Periods Ranging from Ten to Twenty-Five Years".

We were informed in December, 1964, that a summary was hastily assembled for temporary purposes and would be prepared for publication.

Any assistance you can give us would be appreciated.

Thank you,

Evelio Lopez
Evelio Lopez, Chairman
Health Hazard Committee
