Gentlemen:

Crocidolite Asbestos

Very recently our Safety Division has expressed an interest in those asbestos items containing crocidolite fibers. Please furnish us a list of those materials that you sell which contain these fibers. Will you also include the percentage of fiber found in each item.

If your investigation reveals that your products are free of these crocidolite fibers, we would be interested in knowing this as a matter of record.

Yours truly,

M. A. Nicholas
Stores & Shipping Superintendent
