

FIRE EXTINGUISHERS

A. PRESSURIZED "ALL-USE" DRY CHEMICAL EXTINGUISHERS

Protection against all three common types of fire. Ultra-light alloy gives important extra portability and maneuverability—to or at the fire. The dry powder agent throws up an effective heat shield for close maneuvering on the fire. Effective, odorless, non-toxic dry chemicals are powerfully discharged by air pressure to smother fires that water can't stop. A film residue remains to prevent re-ignition. Listed by Underwriters' Laboratories.

UL Rating	4-2766 1A: 12B:C	14-2767 4A: 30B:C
Capacity	4 1/2 Lbs.	20 Lbs.
Range	8-10 Ft.	15-20 Ft.
Discharge Time	12 Sec.	17.4 Sec.
Diameter	4 1/2 in.	7 1/4 in.
Height	14 1/4 in.	21 1/2 in.
Charged Weight	7 1/4 Lbs.	28 1/2 Lbs.
4-2766	4 1/2 Lb. Extinguisher	Price \$34.00
14-2767	20-Lb. Extinguisher	Price \$90.00
4-2746	Mounting Bracket for 4-2766	Price \$ 3.95
4-2758	"All-Use" Recharge Unit for 4-2766 & 14-2767	Price \$11.25
14-2761	Running Board Bracket for 14-2767	Price \$24.00
4-2757	Moisture Trap & Adapter for 14-2767	Price \$ 8.50

CARBON DIOXIDE EXTINGUISHERS

A cloud of odorless, harmless CO₂ gas and snow kills electrical and flammable liquid fires fast, leaves no residue. Carry on autos, trucks, buses, boats, trailers, etc.

Extinguishers have easy squeeze-handle operation and tamper-proof valves, operate to -40°F. Steel shells tested to 3000 psi. Equipped with horn type diffusers, multiple-orifice nozzles. UL and Factory Mutual approved, acceptable by U.S. Coast Guard. Wall hooks supplied.

UL Rating	4-2747 4B:C	14-2752 8B:C
Capacity	5 Lbs.	15 Lbs.
Height	17 1/2 in.	36 in.
Filled Weight	16 Lbs.	42 1/2 Lbs.
B. 4-2747	5-Lb. Extinguisher	Price \$46.00
4-2748	Running Board Bracket	Price \$20.00
C. 14-2752	15-Lb. Extinguisher	Price \$84.00
4-2753	Running Board Bracket	Price \$25.00

D. 2 3/4-LB. DRY CHEMICAL EXTINGUISHER

A professional extinguisher for personal protection . . . ideal for homes, boats, workshops, autos, trucks, camps, etc. Dry powder agent is

most effective against flammable liquid, L/P gas, and electrical equipment fires. Powder is odorless, non-toxic, won't freeze to -40°F. Unit has easy one-hand operation; even a child can use it. Pressure gauge on top tells operating readiness at a glance. Rugged steel shell is tested at 3 times working pressure. Recharge anywhere without tools using recharge kit below. Filled weight 4 1/2 lbs. 14 1/4 in. tall. Discharges 8-10 ft. for 10 sec. UL rated 6B:C. Meets requirements of UL, FAA, ICC, U.S. Coast Guard, Factory Mutual Lab. Mounting bracket included.

4-2740	2 3/4-Lb. Extinguisher	Price \$14.95
4-2741	Recharge Kit	Price \$ 3.60
4-2742	Extra Mounting Bracket	Price \$ 2.50
DISCONTINUED 4-2713 EXTINGUISHER		
4-2726	Disposable Recharge Cylinder	Price \$5.30

E. SPRAY CAN TYPE

Will extinguish most small fires up to 10 ft. Delivers 26 grams in 18 seconds. An excellent safety measure for service stations, garages, homes, etc. Can be used on electrical, gasoline and other type fires. Can also be used as a vapor lock eliminator.

4-1981		Price \$1.89

F. DISPOSABLE DRY CHEMICAL FIRE EXTINGUISHER

Ideal for in the car, or truck, the garage, in the kitchen, at the head of the basement steps or near the furnace . . . or anywhere you think one is necessary. Designed to put out fires of flammable liquids and greases, plus fires involving electrical equipment. When the dry chemical strikes the hot surface, it forms an oxygen excluding layer that smothers the hottest fires. So light and compact they can be hung anywhere. All U.L. listed and meets I.C.C. requirements. 4-2764 Unit is COAST GUARD Approved. All 3 in. dia.

Part No.	Wt.	Ht.	Pressure PSI	Capacity in Grams	UL Rated
4-2762	1-Lb. 9-oz.	9 1/2"	100	590	2B:C
4-2763	2-Lbs. 13-oz.	12 1/2"	100	950	5B:C
4-2764	2-Lbs. 13-oz.	12 1/2"	100	950	5B:C
4-2762	w/Hanging Bracket				Price \$ 6.95
4-2763	w/Hvy. Duty Mtg. Bracket				Price \$ 9.50

4-2764	w/Hvy. Duty Mtg. Bracket	Price \$10.35
4-2765	Universal Hvy. Duty Mtg. Bracket	Price \$1.37

G. PRESSURIZED "ALL-USE" DRY CHEMICAL EXTINGUISHER

Protect against all three common types of fire with a single unit. Special powder forms film to smother flames. Unit has ultra-light alloy shell, heavy-duty brass valve, wall hook. Easy to use, it can be recharged without tools.

Capacity	10 Lbs.	UL Rating	2A:10B:C
Diameter	5 1/2 in.	Pressure	240 psi
Height	21 1/2 in.	Range	15-20 ft.
Filled Wt.	15 1/4 Lbs.	Dischg. Time	11 sec.
14-2751	10-Lb. Extinguisher	Price \$60.00	
4-2758	"All-Use" Recharge Unit	Price \$11.25	
4-2748	Running Board Bracket	Price \$20.00	
4-2757	Moisture Trap & Adapter	Price \$ 8.50	

H. SODA-ACID TYPE EXTINGUISHER

A service-proven, economical unit for fighting fires in wood, paper, and other ordinary combustible materials. Invert unit to expel cooling stream 30-40 ft. Corrosion-resistant welded stainless steel shell is lightweight, has 7 in. dia. Unit is 23 3/8 in. tall. Requires annual discharge and recharge. UL rated 2A. Also Factory Mutual Lab. approved. Wall hook supplied.

4-2749	2 1/2-gal. capacity	Price \$32.50
4-2750	2 1/2-gal. Recharge Unit	Price \$ 1.25

I. PRESSURIZED LOADED STREAM EXTINGUISHER

The only type anti-freeze extinguisher approved for fires in wood, paper, textiles and flammable liquids. Especially useful for tire fires. Discharges 45 ft. stream over temperature ranges of -32° to 120°F. Lightweight, 28.8 lbs. fully charged, and centrally balanced construction of non-corrosive stainless steel. Pressurized to 125 lbs. 2 3/4 in. high x 7 in. dia. Has lever type operation. Shipped without charge U/L and Factory Mutual Lab. approved.

14-2754	2 1/2 Gal. Extinguisher	Price \$42.00
4-2755	Recharge Unit	Price \$12.00

REPLACEMENT PARTS FOR DISCONTINUED FIRE EXTINGUISHERS

4-2723	1 qt. Recharge Unit for 4-2705, 4-2706	Price \$ 2.50
4-2724	1 gal. Recharge Unit for 4-2705, 4-2706	Price \$ 9.00
4-2745	5-Lb. Recharge Unit for 4-2744	Price \$ 4.00
4-2760	20-Lb. Recharge Unit for 14-2759	Price \$ 8.55
4-2757	Moisture Trap & Adapter for 14-2759	Price \$ 8.50
