Interoffice Communication

To All Supervisors
From Butch Bryan
Date December 1, 1977
Subject Employee Safety Action Request

Attached is a summary of the employee safety suggestions made under the E.S.A.R. Program as of October 25, 1977.

Total expenditures in this program, as of September 1, 1977, amount to 21,013.84 for the calendar year 1977. Through your efforts many unsafe conditions have been eliminated as well as many improvements made in the plant. Please keep up your support of this important program.

A copy of the summary is being posted on each bulletin board. A copy is also being sent to each department supervisor.
