RESEARCH AND DEVELOPMENT DEPARTMENT

Answering letter date

Copy to Messrs. R. E. Byrne
H. B. Rhodes
W. C. Thurber
Miss M. L. VanEtten

Subject September Production Schedule

Enclosed is a copy of the Subject. If we receive assurance of substantially increased business with GAF we may want to build a sizable inventory of SG-102. No new bags should be ordered pending a decision on the plastic bags.

American Biltrite has approved use of the new bag for SG-101 so empty paper bags for this product should not be reordered.

John L. Myers
