WILLIAM SCHULTZ moved his Superior Portland Cement purchasing office to the company's Diamond plant at 3601 E. Marginal Way on September 1. Future purchase orders for both the Seattle Diamond plant and the Concrete, Wash., Superior plant will come from the new office.

VERN MITCHELL, comptroller for Stetson-Ross Machine Co., is now handling the firm's purchasing while retaining his previous duties trolling the comp. (Barney—come back!)

Successors to Sumner's former Washington Packers is the firm of KELLEY-FARQUHAR CO., Tacoma. O KEITH BAILEY is the P. A

Present and former P. A.'s seen at the Puyallup Fair on Tacoma Day included ARTHUR ANGOVE, MARK CURRAH, KENNETH CAIN and CHARLES ASPINWALL of Olympia.

Your reporter appreciated the opportunity to fill in as Personals editor this month A million thanks to DICK BREWER, EARL WHITE, RUSS WETHERELL, STAN MOONEY, LORAN KREAGER and the others who sent us such a flood of material that lack of space prevents the use of all of it this month

TED PATTERSON was scheduled to leave General Electric Supply Corp. on October 14 He was not ready to announce future plans, but was considering several propositions. He will be succeeded by TED W. GRUVER, formerly in charge of the claims department.

HARRY BENSON has succeeded WILLIAM GLEN as P. A. for Isaacson Iron Works.

M. E. OBER has left Atkinson & Jones at Richland and moved to "Stepney Depot," Conn., according to postal notice

RAY HANSEN of Gladding, McBean, Renton, was vacationing last month in all that nice weather. He drove to San Francisco to attend a Knights Templer Convention.

STAN RINGHEIM vacationed in California this month
