Subject: Meeting Request: Russell Vought's Nomination

Good evening,

President-Elect Trump intends to nominate Russell Vought to be the Director of the Office of Management and Budget.

Mr. Vought would like to meet with Senator Murkowski to discuss the nomination.

Is there a time when the Senator would like to meet?

Please let me know some days/times that would work on your end, and I will coordinate on our end. He would love to meet with the Senator before the end of the current work period.

Russell will be accompanied by his sherpa, Dan Kowalski, who is copied here.

Thanks,
Molly Sikes
