Dear Mr. McCormick:

Mr. Hal Malloy of Astro Plastics, Covington, Georgia has asked that we write to you regarding the use of Geon 8780 Gray 260 for a screed in the folding insulation panels in a food service refrigerator. (71)
Geon 8780 Gray 260 is composed of ingredients which meet the current requirements of the FDA for use in contact with food types I, II, III, IV (except liquid milk), V, VI, VIII and IX (table 1, 176.170) under use conditions D, E, F and G (table 2, 176.170). I trust this information will permit you to favorably consider Geon 8780 Gray 260 for the above use.

Sincerely,

W. C. Bachtel
Toxicologist
