New Dry Head Ousts Pennsylvania Force

PITTSBURGH, Pa., Sept. 8.—A clean sweep of the personnel of the prohibition enforcement machinery in the Third United States district was made today, when Frederick B. Baird, a new administrator, ousted Gus J. Simons, divisional prohibition chief, and 30 dry agents.

William J. Martsolf immediately was appointed acting divisional chief to succeed Simons.

Baird's drastic action is based on a charge the men "rested" during Labor Day, while liquor was unloaded within a stone's throw of Simon's office.
