SHREVEPORT

MEMORANDUM

In Reply to _____ Date 3/30/61 From PBL To PSL- Mr. Potter
 Subject MATERIAL FOR SHREVEPORT TEST DECKS

We are sending you a fairly representative sampling of competitive black and self-sealing shingles.

The self-sealing shingles were obtained for the recent sales meeting and comparisons noted as to type of sealing and anti-sticking devices. Exposures should be checked for speed of sealing and whatever effects these various types of sealing devices will have on weathering.

Competitive black shingles were obtained as a color comparison from different sources.

We are also sending some of our siding for exposure.

The following is a list of material being sent you:

Black Shingles

Carey	Charcoal Black	Strip Shingle
Flintkote	Black Knight	Thikbut Strips
Ruberoid	Black	Square-Tabs
Johns-Manville	Diamond Black	Standard Strip
Fry	Ebony	Shado-Bilt Shingle

Self-Sealing Shingles

Barrett	Gem Black	Self Sealing Storm King
U.S. Gypsum	Regal White	Self Sealing Shingle
Johns-Manville	White - 2	Seal-O-Matic Shingle
Artic	White	Self-Sealing Shingle
Fry	Frost White	12" Seal-Rite Strip
Logan-Long	White	Perma-Weld Shingle
Flintkote	Black Knight	Seal-Tab Strips
TK	Winter White Smooth	222# Sun-Seal
Ruberoid	Slatetone Blend	Self-Sealing
