Congratulations! You have been elected as a member of the Hourly Safety Committee to serve for one year beginning January 1, 1981. We would like you to attend the December meeting which will be held on Tuesday, December 30, 1980. It will begin at 1:30 p.m. in Conference Room 2 of the Personnel Building.

The Plant Manager's Safety Board appreciates this opportunity to work with you. Like the committees that have served in the past, we feel certain that this committee will continue to contribute greatly to the success of the safety program.

Please plan to attend and bring your safety ideas and any recommendations you may have. Shift workers should remind their supervisors to make the necessary schedule changes to permit them to attend.
