FILE NO. _____

DATE: Oct 21, 1985

FROM: J.R. Wallace

SUBJECT: Vinyl Chloride
Safety Association History

Dear Joe, attached are my notes on a review by
Glen Shaef in 1981, and an analysis of 1985 membership
and meeting attendance.

If you want a more detailed listing of the rise
and fall of membership I can at least approximate this
from the files.

I look forward to seeing your official history.
