Hey guys – I'm so sorry to do this, I got pulled into something with the Secretary and won't make it up on the hill tomorrow morning. My schedule is a little in flux for next week but let me circle back with some more time once I have an idea what my week will look like.

Could you all do 945? I've got a 1030 on the senate side. Unless you all feel like venturing over to cups lol

Hey guys! Sounds like the boss's had a really nice call yesterday evening! Happy to sit down. I'm planning on being on the hill on the 21st. Want to shoot for some time that morning?

Hey Hannah!

I can't believe I missed your move over to DOT, but congrats on the gig! I feel like I've been running into many former Foxx staffers recently.

Wanted to use the opportunity to connect with you kinda-sorta before the appropriations fight begins and we start gearing up for surface reauth in 2026. Jacob Pratt, CC'd, is a former T&I staffer who recently started with Dr. Babin.

Do you have any time this week to connect? Could be a full briefing/meeting or just a simple sitdown. We'll be in Houston next week for a staff trip, but will be back in DC for the 20th and 21st.

Sincerely,

Will Tucker
